AT A GLANCE:

Fresh off of its second undefeated regular season in the last three years, the second-ranked OU women's gymnastics squad turns its attentions towards the postseason as the Sooners travel to Lincoln, Neb., for the Big 12 Championship on March 27 at 2 p.m. (CT). Oklahoma is the only conference squad ranked in the top five on any apparatus, which the Sooners are on all four events.

Individually, Hollie Vise (beam) and Jackie Flanery (floor) lead the country on their respective events. Vise also leads the Big 12 with her third-place NCAA ranking on bars, while NU's Erin Davis is the top vaulter in the conference (currently ranked second).

OU is a win away from three straight conference titles for the first time since it reeled off back-to-back-to-back titles in 1984-1986. A victory on Saturday would make OU only the second conference squad to win three straight Big 12 crowns. Nebraska followed up its win in the inaugural Big 12 Championship (1997) with wins in 1998 and 1999, and also won back-to-back-to-back titles in 2001-2003.

The Sooners and Huskers have combined to win eight of the last nine Big 12 titles. 2006 marked the only time since 2000 that one of the two didn't stand atop the conference podium, as K.J. Kindler's Iowa State squad posted a 196.425-196.275 victory in Lincoln over the hometown Huskers in her final year with ISU before taking the helm of the Oklahoma program.

GYMNASTS TO WATCH:

MEGAN FERGUSON

Ferguson burst onto the collegiate scene during the postseason last year, as the Olathe, Kan., native became the first freshman in Big 12 history to win multiple event titles at the conference championship (bars and beam).

Ferguson capped off her stellar freshman campaign by garnering All-America status on beam at the 2009 NCAA Championship at the Devaney Center in Lincoln, Neb.

Ferguson scored a 9.9 on beam at NAAs, matching her regular season score on the apparatus in her only other appearance at Nebraska.

The Sooners face 10 squads ranked in the preseason top-25 coaches poll, including three ranked in the top 10.

GYMINFO RANKING SCHEDULE:

Through Feb. 8, the teams are ranked by total season average. Beginning Feb. 15, the ranking is done by Regional Qualifying Score which consists of a team's three highest road scores and the next three highest scores. The high score is subtracted from the six event totals and the remaining amount is divided by five.

BIG SCORE COMPARISON

OU has posted 63 scores of 9.9 or higher through its first 11 meets this season, compared to just 24 all of last season.

REGULAR SEASON SENSATIONS

Oklahoma is 55-6 in the regular season under K.J. Kindler, including a perfect 14-0 mark in 2010. The Sooners are the only squad in the NCAA with a pair of undefeated regular seasons in the last three years.

ROAD WARRIORS

The Sooners are averaging a 196.86 in true road events this season (excludes the Metroplex Challenge which took place at a neutral site in Dallas). That road average alone would rank OU second in the NCAA by total season average (home and away scores), just behind Alabama's 196.878 season average.

Oklahoma was the only top-25 squad to have both of its top two scores from 2009 come in road competition.

BEATING THE BEST

OU is 5-0 against top-10 opponents this season, including four victories over SEC foes ranked in the top 10 at the time of the meeting. Ten of Oklahoma's 14 victories this year have come against top-25 squads.

COMING FROM BEHIND

OU has trailed after a rotation just twice this season (at Missouri and at Illinois). The Sooners haven't trailed after the second rotation yet this season, overcoming a 49.150-49.100 deficit against the Tigers and a 49.100-49.000 deficit in Champaign to take leads at the halfway point of both meets.

IN ELITE COMPANY

The Sooners are one of just six squads to advance to the NCAA Championships every year since 2004, joining Alabama, Florida, Georgia, LSU and Utah on that elite list. OU's six championship appearances in the last six years matches the other three Big 12 programs combined during that period. Nebraska advanced to the NCAA Championships from 2004-07, while Iowa State made back-to-back appearances in 2005 and 2006 under K.J. Kindler.

MILESTONE MOMENT

With its No. 1 ranking on Feb. 22, OU became the first Big 12 program to be ranked No. 1 in the country for multiple weeks during a single season. Oklahoma originally ascended to No. 1 nationally on Feb. 8, marking the first women's sport at OU to be ranked No. 1 during the regular season.

HIGH MARKS

Oklahoma has gone 49.425 or higher on every event this season, including a pair of 49.6-plus scores on floor. The Sooners are the only squad in the NCAA this season with multiple scores of 49.600 on an apparatus.

ARENA RECORD

With its 197.475-196.100 win at No. 6 Arkansas (7-4-1) on March 19, OU posted the highest team score ever recorded inside Barnhill Arena, easily outdistancing the 197.025 by Arkansas earlier this season and the 196.725 by visiting Georgia in 2009. The Sooners also set arena records on bars (49.375) and beam (49.450).

VAULTING TO THE TOP

The Sooners have got off to a very strong start over the past four meets, posting at least a 49.400 on vault in every appearance during that span. OU's event-winning score of 49.500 on vault against Alabama was the second highest score in program history, just behind its 49.575 set against Iowa State in 2002.

DAZZLING DEBUT

Seventy-seven of Oklahoma's 240 routines this season have been performed by freshmen (.321), including almost half of OU's uneven bars routines (29-of-60). The group is 75-of-77 on the year. Each freshman that has competed has scored at least a 9.8 in one of their routines, while Natasha Kelley has already tallied 19 scores of at least 9.85.

TOPS IN THE CONFERENCE

Oklahoma holds the best season average of all four Big 12 squads on every apparatus, while the Sooners hold the top mark in the individual standings on every event but vault. The back-to-back Big 12 Champions are 19-2 against conference opponents under K.J. Kindler, including a 11-1 mark during the regular season.

TAKING DOWN THE BEST

The Sooners have already defeated three squads that competed in the Super Six at last year's NCAA Championships, including 2009 NCAA runner-up Alabama. Florida and Arkansas finished fourth and fifth, respectively.

LISTEN TO YOUR COACHES

OU volunteer assistant Kelli Haley was the Big 12 beam champion at the Devaney Center in Lincoln, Neb., in 1998. The former Iowa State gymnast scored a 9.95 for the Cyclones. Haley repeated a year later with a share of the event title with a 9.925.

PERFECTION

Sara Stone's 10.00 on vault at Michigan State was the first perfect score by an Oklahoma gymnast since Kiara Redmond posted one on vault against TWU on Feb. 29, 2008. It was the third perfect routine in the NCAA this season and first by an underclassman. It was the 11th perfect score in program history and fifth on vault.

RACKING UP THE TITLES

The Sooners have collected 78 of a possible 88 combined individual and team event titles in 2010, including at least six combined individual and team event wins in each meet.

CHANGES TO THE LINEUP

OU had a gymnast make their season debut on vault (Hollie Vise), bars (Melanie Root) and beam (Sara Stone) against Washington, marking the first time this season the Sooners have not had the same six gymnasts in a lineup on those three events.

NO "I" IN TEAM

OU has found a way to win despite the lack of a true all-around presence. Oklahoma's only two all-around competitors this season have been Hollie Vise last week against Washington and Kayla Nowak against Illinois. The Sooners were the only squad ranked in the final 2009 top-15 GymInfo poll without a gymnast in the top-25 all-around rankings. Vise vaulted for the first time in collegiate competition en route to a 39.600 all-around score in the win. Nowak was a last-minute addition to the vault lineup at Illinois and placed second in her first collegiate all-around appearance.

A LOOK BACK AT ALABAMA

OU head coach K.J. Kindler preached a fast start and the Sooners certainly responded. OU opened the meet with a 49.500 on vault, its highest score on the apparatus since March 1, 2002. The squads combined to hit 47-of-48 routines. The lone miss of the night came from Alabama on its second to last routine of the meet. Oklahoma did not count a score lower than 9.825 on any apparatus, including at least a 9.875 or higher on vault and floor. The Sooners had just one score lower than 9.825 the entire night. OU couldn't have scripted a better close to the meet with its 49.625 on floor, its highest total on any apparatus under Kindler. Alabama All-American Morgan Dennis, the 2007 NCAA Floor Exercise Champion, anchored the Crimson Tide lineup with a 9.925 on the apparatus. The meet was televised live in the Oklahoma City metro area and Tulsa. It marked the first time in program history that OU or Alabama had been a part of a live television gymnastics broadcast. A program-record 2,529 fans were on hand to see the upset.

BEAM QUEENS

Just like last season's second road meet of the season, the OU beam squad provided its breakout performance of the 2010 campaign in its second road outing at Illinois with a team tally of 49.500 on the apparatus. OU reeled off five straight 9.85s or better after a fall from the first position on beam at Illinois. Vise and Smith shared event honors with 9.95s, while Ferguson (9.9), Kelley (9.85) and Nowak (9.85) completed a sweep of the individual event standings on the apparatus.

Oklahoma's beam tally was its second highest event total on the apparatus under Kindler, just behind OU's 49.525 on beam at TWU on Jan. 17, 2009.

FOLLOWING THE SOONERS

The OU gymnastics program maintains its own Facebook, YouTube and Twitter accounts, which are updated frequently with all of the latest news about the squad. Links to each of those pages can be found at www.SoonerSports.com, the official site of the Oklahoma Sooners.

STELLAR YEAR IN THE CLASSROOM

Nine OU gymnasts earned 2009 NACGC All-Academic Scholar awards as the Sooners posted their highest GPA since 2004. Oklahoma's nine honorees was third best among teams advancing to last year's NCAA Championship, behind only Alabama (13) and Stanford (10).

CLOSER LOOK AT OKLAHOMA IN 2010

The back-to-back Big 12 Champions opened the 2010 season ranked ninth in the GymInfo preseason coaches poll, the highest ranking of any conference squad. The Sooners return 11 members from last season's group that clinched OU's second straight conference title.

Headlining OU's returnees is sophomore All-American Megan Ferguson. The Olathe, Kan., native capped off her stellar freshman campaign by garnering All-America status on beam at the 2009 NCAA Championships. She became the first freshman in Big 12 history to win multiple event titles at the conference championship (bars and beam).

Other returnees include All-Big 12 selections in Jackie Flanery (floor - 2008), Melanie Root (vault - 2009), Kristin Smith (floor - 2009) and Hollie Vise (bars - 2008, beam - 2008, 2009). The quartet has combined for nine Big 12 Event Specialist of the Week honors in the past two seasons.

Also returning in 2010 are event title winners Mary Mantle (Big 12 Event Specialist of the Week on Feb. 12, 2008, after her vault win at Denver) and Sara Stone (three vault titles in 2009).

This season also marks the final send-off for Julie Kramer, while other returnees include juniors Candace Cindell and Natalie Ratcliff. Ratcliff was a mainstay in the vault and beam lineup a year ago.

OU gymnastics fans also will have their first chance to see Oklahoma's freshman class of Bethany Neubauer, Kayla Nowak, Brie Olson and Nitya Ramaswami. The class was ranked No. 9 in the country by CollegeGymFans.com.

2010 MEET-BY-MEET RECAPS

WEEK 1 - FLORIDA | JAN. 8, 2010

NORMAN, Okla. -- The No. 9 Oklahoma women's gymnastics squad led wire-to-wire in a 196.250-195.275 upset over fourth-ranked Florida in the Sooners' season opener on Friday in front of 1,325 fans at Lloyd Noble Center.

The victory over the Gators marked the highest-ranked opponent that OU has toppled under fourth-year head coach K.J. Kindler.

The Sooners improved to 23-2 in home meets under Kindler behind strong performances from veterans and newcomers alike, as Oklahoma picked up event titles on bars, beam and floor. OU also claimed individual event titles on each of those events as well, as Jackie Flanery (bars and floor), Hollie Vise (bars and beam) and Natasha Kelley (bars) claimed individual honors.

"This team (OU) came out with a whole other confidence that I've never seen before," said Kindler. "They didn't waiver when the door was opening, they didn't hesitate and they jumped in feet first. I was really impressed with that more than anything. They had a lot of confidence tonight."

OU opened the meet with a 48.950 on vault, paced by Mary Mantle's 9.85 from the anchor position. Mantle placed third in the individual standings on the apparatus, behind a pair of 9.875s from UF's Ashanee Dickerson and Maranda Smith. Flanery posted a 9.8 from the first spot, while freshman Bethany Neubauer matched Flanery's score in her first collegiate routine. Oklahoma took the early lead as Florida was forced to count a fall on bars (48.175).

The Sooners increased their lead to 98.125-97.425 through two rotations after a stellar bars set that resulted in the team event title. Flanery, Kelley and Vise all scored 9.85s to sweep the individual event honors for OU. Flanery's bar set marked a career best, while Kelley competed despite suffering a complete ACL tear less than two months ago. Reigning Big 12 bars co-champion Megan Ferguson tallied a 9.825, while Brie Olson scored a 9.8 in her collegiate debut.

Vise picked up her second individual victory of the night on beam (9.9), leading Oklahoma to its second event win of the evening. OU outscored the Gators 49.025-48.875 on the apparatus, as Ferguson (9.875) and Kelley (9.8) both posted solid routines.

The Sooners sealed the meet victory with an event-winning floor score of 49.100 - their third straight score of 49.000-plus on the night. Flanery picked up her second event title of the night (9.875), freshman Kayla Nowak (9.85) shared second in her debut, while Vise scored a 9.825 in her first collegiate routine on the apparatus.

"We hit 23-of-24 routines which is phenomenal for your first competition," said Kindler. "Now, there are always things we can do to improve, but I thought overall it was an excellent first meet. The freshmen and Natasha were phenomenal. They hit eight routines, out of eight, and were some of our highest scores. They definitely brought a level of confidence to our team.

Oklahoma improved to 42-6 in the regular season under Kindler.

2010 MEET-BY-MEET RECAPS

WEEK 2 - AUBURN | JAN. 15, 2010

AUBURN, Ala. -- The No. 2 Oklahoma women's gymnastics squad (2-0, 0-0 Big 12) posted its second straight win over an SEC opponent with a 196.300-195.325 victory at Auburn (0-2, 0-1 SEC) on Friday.

OU led wire-to-wire for the second straight meet, quieting the 5,750 hometown fans inside Beard-Eaves-Memorial Coliseum.

The Sooners hit 24-of-24 routines en route to a sweep of all four event titles, as Oklahoma broke the 49.000-point barrier on every apparatus. Individually, Hollie Vise (bars-9.925, beam-9.875), Megan Ferguson (beam-9.875) and Jackie Flanery (floor-9.85) won event titles.

"It is very exciting to be on the road for the first time and see how tough you are, in particular because our warm up was not one without a couple of hiccups," said head coach K.J. Kindler. "I felt that they really regrouped and got their heads together. I'm very proud of how they performed. We were solid throughout, but the girls realize there is so much room for improvement which is the exciting part."

OU improved to 43-6 in the regular season under Kindler, including back-to-back victories over top-10 opponents to open the 2010 campaign, without an all-arounder in the lineup for the second straight meet.

Oklahoma opened the dual meet with a season-high 49.225 on bars, capped off by Vise's career-high 9.925 from the anchor position that sealed the individual and event win on the apparatus. OU was consistent throughout the entire lineup, as all six Sooners in the bars rotation scored a 9.8 or higher. Natasha Kelley matched her score from last week's win over Florida (9.85), while Jackie Flanery and Ferguson both tallied 9.825s.

OU's uneven bars score was its highest since its last regular season venture into SEC territory, when the Sooners posted a season-high 49.250 at Alabama on March 13, 2009.

The Sooners won the vault title with their second consecutive season high to start the meet. Oklahoma posted a team tally of 49.050 on the apparatus, paced by Natalie Ratcliff's 9.85. Sara Stone (9.825), Jackie Flanery (9.8) and Mary Mantle (9.8) all broke the 9.8 barrier. Melanie Root was a last minute replacement in the lineup and posted a 9.7.

Flanery led the Sooners with a 9.85 on floor from the anchor position as Oklahoma scored a 49.000 on the event. Ferguson and Kristin Smith both notched 9.825, season best's for each.

OU clinched the win with a team score of 49.025 on beam. The Sooners recorded a pair of 9.875s from Ferguson, the reigning Big 12 beam champion and 2009 All-American, and Vise.

"I thought we showed a lot of strength, particularly on bars," said Kindler. "Getting off to the start that we did was vital on the road."

Friday's victory over the Tigers was Oklahoma's third straight over AU and evened the all-time series at four apiece. Through two meets, Oklahoma has won 14 of a possible 16 combined team and individual event titles.

2010 MEET-BY-MEET RECAPS

WEEK 3 - ILLINOIS | JAN. 23, 2010

CHAMPAIGN, ILL. - The second-ranked University of Oklahoma women's gymnastics squad improved to 3-0 on the year with a 196.650-194.425 win at No. 25 Illinois (3-3) on Saturday in Champaign, Ill. The Sooners improved to 7-0 all-time against the Fighting Illini, while tonight's +2.225 margin of victory was the second largest in the series.

OU won team titles in its final three events, including a season-high 49.500 on beam en route to its best team score since Feb. 27, 2009. The Sooners sealed the win with a pair of 9.95s on the apparatus from Hollie Vise and Kristin Smith in Oklahoma's final two routines of the evening.

"Instead of thinking about how they can stay on the equipment, I think we have adjusted the mindset to thinking about how confident they are and how they can nail their routine," said fourth-year head coach K.J. Kindler on OU's beam squad. "I was really encouraged by their mental strength on beam. Natalie (Ratcliff) is a phenomenal beam worker, but she missed tonight. The rest of the lineup rallied and wasn't going to give it away, which is very encouraging."

Freshman Kayla Nowak finished second in the all-around with a 39.050 in her first collegiate all-around performance, marking the first time this season the Sooners have had a gymnast compete all four events.

OU opened the dual meet with a team tally of 49.000 on the uneven bars in the event win. Ranked first in the nation on the apparatus entering the weekend, the Sooners hit six-of-six routines, paced by 9.85s from event winners Natasha Kelley and Vise. Jackie Flanery and Brie Olson both scored 9.775s on the apparatus for a share of third place. OU trailed after a rotation for the first time this season as Illinois scored a 49.100 on vault.

The Sooners posted four scores of 9.8 or higher on vault for a 49.050 team tally. Brie Olson led the way with a career-high 9.85 and a share of second in the individual standings. Jackie Flanery and Mary Mantle each scored a 9.825, while Sara Stone posted a 9.8.

Oklahoma overtook the Fighting Illini 98.050-97.025 at the midway point after the home squad was forced to count a fall on bars.

Flanery (9.9), Smith (9.85) Vise (9.825) and Mary Mantle (9.775) all posted season bests on floor en route to a team score of 49.100 on the apparatus. Flanery won her third-straight event title on the apparatus this season, while Smith and Vise finished third and fifth, respectively.

The Sooners posted their highest beam score in 14 meets (49.500) after reeling off five straight 9.85s or better after a fall from the first position. Vise and Smith shared event honors with 9.95s, while Ferguson (9.9), Kelley (9.85) and Nowak (9.85) completed a sweep of the individual event standings on the apparatus.

"I thought we came out a bit lethargic and really didn't stick any landings on vault or bars, where we entered the meet with a goal of hitting at least 50-percent of those routines," said Kindler. "We finally started gaining some momentum on floor, where I felt that Mary (Mantle), Hollie (Vise), Kristin (Smith) and Jackie (Flanery) all performed their best routines of the season."

DALLAS - The second-ranked University of Oklahoma women's gymnastics squad improved to 6-0 on the season with a quad meet win over Alaska-Anchorage, N.C. State and TWU at the 2010 Metroplex Challenge in Dallas on Saturday.

OU swept all four team event titles and improved to 47-6 in the regular season under fourth-year head coach K.J. Kindler after individual titles on bars (Hollie Vise – 9.925), beam (Vise – 9.925) and floor (Jackie Flanery – 9.95).

The Sooners were forced to count their first fall of the season on any apparatus with a pair of falls on beam, resulting in a season-low team score of 196.100. N.C. State (194.875) placed second, TWU (191.225) third and Alaska-Anchorage rounded out the quad meet in fourth (188.9).

"We had more mistakes tonight than we have had all year long, but we know mistakes are going to happen," said Kindler. "Kayla (Nowak), as a freshman, followed every single mistake on the three events we had and wow... turned it up a notch. That is impressive to see a freshman follow up a mistake and handle it the way she did. It was very mature and it was exciting to see.

"I think our team, since they haven't been put in that situation this year, handled it well. Obviously, we're looking for a better result. We'll look to up our game next week."

Oklahoma opened the meet with a season-high 49.075 on vault, paced by Sara Stone's season-high 9.875 that garnered individual event honors for the sophomore. OU received a pair of 9.85s from Brie Olson and Mary Mantle. Olson's routine matched last week's career high on the apparatus, while Mantle tied her season best performance. Natasha Kelley made her collegiate debut on vault and scored a 9.775, just two months after the Katy, Texas, native suffered a complete tear of her right ACL.

The Sooners matched their season high on bars with a 49.225 team tally, capped off by Vise's second-straight 9.925 on the apparatus in the individual win. OU survived a scare after freshman Brie Olson fell on her mount in the squad's second routine on bars, posting four straight routines of 9.825 or higher to close the rotation. The Sooners tallied a pair of 9.825s from Nowak and reigning Big 12 bars champ Megan Ferguson, while Kelley scored a 9.875 prior to Vise's routine from the anchor position.

OU counted its first fall of the season after slip-up's from Natalie Ratcliff and Kristin Smith in the first and last routines on beam, respectively. Oklahoma posted a season-low 48.600 on the apparatus, marking its first sub-49 score on beam this season. Vise paced the Sooners with her second 9.925 of the night, also resulting in her second event honor. Ferguson tallied a 9.85, while Nowak had a 9.8.

Flanery received a 10.00 from one floor judge en route to a 9.95 on the apparatus in the event win. Vise continued her spectacular night with a career-high 9.875 on the apparatus, while Smith rebounded from her fall on beam to score a 9.85.

2010 MEET-BY-MEET RECAPS
WEEK 5 - NEBRASKA AND TWU | FEB. 5, 2010

NORMAN, Okla. - The second-ranked OU women's gymnastics squad remained undefeated on the year (8-0, 1-0 Big 12) with a wire-to-wire triangular victory over No. 10 Nebraska (6-1) and TWU (3-5) in front of 1,405 fans at Lloyd Noble Center on Friday.

The Sooners scored a season-high 196.825 despite counting a fall on beam, outdistancing Big 12 rival Nebraska and TWU, who posted scores of 196.225 and 192.575, respectively.

OU won team event titles on vault, bars and floor and swept all four individual titles with event wins on vault (Jackie Flanery - tied with a 9.9), bars (Hollie Vise - 9.9), beam (Megan Ferguson - 9.925) and floor (Kristin Smith - 9.95).

The Sooners didn't compete an all-arounder for the fourth meet this season, while a different OU gymnast led the team on each event.

Oklahoma had to outmatch a Husker squad that also posted a season high team tally on Friday and the result was in question until the final routine. After counting a fall on beam that tightened the team standings, OU closed the meet with a season-high 49.600 on floor, marking the Sooners highest event total under fourth-year head coach K.J. Kindler.

Oklahoma opened with a season-high 49.375 on vault, easily eclipsing its previous high of 49.075 at last week's Metroplex Challenge. Flanery (9.9), Natasha Kelley (9.875) and Brie Olson (9.875) set career highs, while Melanie Root (9.85) and Sara Stone (9.875) posted season bests. Mary Mantle turned in a 9.825 from the anchor position as the entire Sooner vault lineup scored at least a 9.825.

"I really thought that vault and floor were some of our best performances of the year," said Kindler. "In particular, on vault the way we started out with Jackie Flanery. That was actually our best vault in the lineup and she nailed it. It was a great start for our team on that event. We kind of got on a roll from that."

The Sooners started a bit slow on bars, before Kelley and Vise capped off the rotation with scores of 9.85 and 9.9, respectively. It was Vise's fifth straight win on the apparatus dating back to Oklahoma's season opener against Florida. OU posted a 48.975 on the apparatus, marking the first time this season the Sooners haven't scored a 49-plus on the event.

Ferguson (9.925) and Kelley (9.875) finished one-two in the individual standings on beam, but the Sooners were forced to count their second straight fall on the apparatus. From the start, it appeared that OU would post one of its higher scores on beam this year after Natalie Ratcliff and Kayla Nowak preceded Ferguson and Kelley with a pair of 9.85s, but both Vise and Kristin Smith fell in the final two routines for a team score of 48.875.

The Sooners swept the podium on floor, closing the rotation with five straight scores of 9.9 or higher. Oklahoma picked up career highs from Smith (9.95), Nowak (9.925), Vise (9.925), Ferguson (9.9), while Flanery sealed the win with a 9.9 in the final routine of the night.

2010 MEET-BY-MEET RECAPS

WEEK 6 - IOWA STATE | FEB. 12, 2010

NORMAN, Okla. - The University of Oklahoma women's gymnastics program ascended to No. 1 in the country for the first time in program history on Monday and proved why on Friday.

The top-ranked Sooners (9-0, 2-0 Big 12) led wire-to-wire in a 197.250-196.225 victory over No. 16 Iowa State (4-5, 0-2 Big 12) in front of 1,777 fans at Lloyd Noble Center in OU's "Beauty and the Beast" spectacular. The gymnasts shared the floor with the ninth-ranked OU wrestling squad, who improved to 13-1-1 with a 33-3 victory over the visiting Chattanooga Mocs.

"We talked about having intensity from the very beginning and I felt like we definitely came out that way," said head coach K.J. Kindler. "We definitely had our best bar performances of the year, sticking dismounts, hitting those angles and really being detail-oriented."

The Sooners improved to 26-2 in their last 28 home events by sweeping all eight team and individual event honors en route to their highest team tally under Kindler, who improved to 8-0 versus her former squad since she took the OU head coaching position in 2007.

Individually, Jackie Flanery posted her second straight vault title despite serving as OU's leadoff gymnast in the rotation, sharing event honors with anchor Mary Mantle. Hollie Vise remained perfect on the season on bars with her sixth straight win in a tie with Big 12 bars champion Megan Ferguson. Ferguson, Vise and Kristin Smith all shared the event win on beam, while Smith took home her second straight floor title.

Opening the dual meet on vault, Oklahoma opened and closed the rotation with event winning 9.875s from Flanery and Mantle. Paced by the senior duo's shared event title, the Sooners turned in a team tally score of 49.200 to open the dual meet with the event win, as Sara Stone and Natasha Kelley also turned in solid routines with a pair of 9.85s.

OU posted six straight scores of 9.825 or higher on bars and took its second event title of the night with a season-high score of 49.425. It was a full 0.2 of a point higher than any other Oklahoma team score on the apparatus in 2010. The Sooners swept the bars podium behind 9.925s from Vise and Ferguson for the event win, while Kelley (9.9), Brie Olson (9.85), Flanery (9.825) and Kayla Nowak (9.825) were right on their heels.

Oklahoma survived a scare after a fall from the first position on beam with five straight scores of 9.825 or higher. Nowak and Kelley posted routines of 9.825 and 9.85, respectively, while Smith, Vise and Ferguson closed the rotation with back-to-back-to-back 9.9s. The Sooners scored a 49.375 on the apparatus to take a 148.000-147.050 lead into the final event.

The Sooners clinched their highest score since posting a 197.300 in 2004 with a 49.250 on floor. Smith won her second event honor of the night with a 9.925, while Ferguson notched a 9.9. Stone posted a 9.85 in her season debut on floor and Vise was solid with a 9.825.

Oklahoma improved to 41-14-1 in the all-time series against the Cyclones which dates back to 1981.

2010 MEET-BY-MEET RECAPS

WEEK 7 - @MISSOURI | FEB. 19, 2010

NORMAN, Okla. - The second-ranked OU women's gymnastics team made it a season sweep of Big 12 opponents during the regular season with a 197.050-195.500 victory at No. 17 Missouri on Friday. The Sooners eclipsed the 197-point barrier for the second consecutive meet for the first time since 2004, scoring a 49.275 or higher in their final three rotations in the win.

OU swept all four team event titles for the second week in a row, while Sara Stone (vault – 9.925), Megan Ferguson (beam – 9.95) and Jackie Flanery (floor – 9.925) took home individual event titles.

The Sooners added another victory to their commanding all-time series lead, which now stands at 48-11. Oklahoma has won each of the last 13 meetings with Mizzou, while tonight's 1.55 margin of victory was the largest in the series since OU posted a 196.125-193.825 victory in Norman in 2007.

"For the first time all season I felt like we really came out and put four solid events together," said head coach K.J. kindler. "We still left a few tenths here and there, with some missed handstands and angles, but had one of our best warm up's of the year and never looked back.

"The enthusiasm we were able to hold throughout the entire meet became contagious, as they fed off of each other. It's what you have to do anytime you go on the road, trying to take the crowd out of it."

Oklahoma trailed for just the second time this season after posting a 49.100 on bars, while Mizzou opened the meet with a 49.150 on vault. The Sooners were 6-of-6 on the apparatus, paced by Hollie Vise's 9.875 from the anchor position. Natasha Kelley preceded Vise's routine with a 9.85, while Brie Olson scored a 9.825 from the second position.

OU quickly overtook the Tigers on the next rotation and never trailed again after a 49.275 on vault, its second highest score on the apparatus this season. Stone won a share of her first individual event title this season with a career-high 9.925 to pace the Sooners.

Oklahoma's first four routines on vault were all 9.825 or higher, as Natasha Kelley (9.9) and Natalie Ratcliff (9.85) joined Stone with career bests.

The Sooners proved why they are considered one of the best floor squads in the country, ending the rotation with five straight scores of 9.8 or higher, capped by Flanery's 9.925 from the anchor position. OU had its first stumble of the night with a fall from the first position, but quickly erased the error as Ferguson and Kayla Nowak got the Sooners back on track with a pair of 9.8s. The senior duo of Vise (9.85) and Kristin Smith (9.9) preceded Flanery as OU had its second best floor tally of the season with a 49.275.

Oklahoma led 147.650-146.400 as Mizzou rebounded from its troubles on bars with a solid score on beam (49.075).

OU ended the dual with a 49.400 on beam, just a tenth of a point shy of its season high on the apparatus. Ratcliff opened the rotation with her highest road score on beam this season with a 9.825, while Kelley (9.85) and Smith (9.875) both posted solid routines.

2010 MEET-BY-MEET RECAPS

WEEK 8 - @MICHIGAN STATE | FEB. 26, 2010

EAST LANSING, Mich. - The top-ranked Oklahoma women's gymnastics squad (11-0, 3-0 Big 12) clinched its seventh straight victory over a top-25 opponent with a 196.825-194.125 win at No. 23 Michigan State (9-5, 3-3 Big Ten) on Friday.

The victory was capped off by Sara Stone's 10.00 on vault, the 11th perfect score in program history and fifth on the apparatus.

OU improved to 12-1-1 against Big Ten foes under fourth-year head coach K.J. Kindler by picking up victories on all four events for the third consecutive meet (fifth time this season) in front of 721 fans at Jenison Field House.

The Sooners also swept all four individual titles as Stone (vault), Brie Olson (bars - 9.85), Vise (beam - 9.925) and Jackie Flanery (floor - 9.95) picked up event wins.

"It was a Jekyll and Hyde night," said Kindler. "One moment we were great and the next we were not."

OU opened the away dual on bars with a season-low 48.95. Olson was one of the Sooners lone bright spots on the apparatus, scoring a career-high-tying 9.85 in her first collegiate event win. Hollie Vise posted a 9.8 from the anchor position in Oklahoma's only other routine of 9.8 or higher.

"We talked about having a lot of energy starting the meet on bars and I really didn't feel like we had that tonight," said Kindler. We were pretty good on the bar, but were flat on our dismounts, without much attention to detail. When you only stick one out of six, that will really kill you."

After a spirited team huddle following the rotation, any ill effects from the slow start were quickly erased as Stone led the Sooners to season-high 49.450 on vault. Natalie Ratcliff (9.9) and Natasha Kelley (9.9) posted career highs, while Olson and Jackie Flanery added a pair of 9.825s.

"Vault was fantastic, definitely our best performance of the year," added Kindler. "There is a genuine thrill anytime you have someone post a 10 and that was definitely the highlight of the meet. I was really proud of the way that lineup came out and performed from top to bottom, especially after the sub-par start on bars."

Stone gave the Sooners a 98.400-96.350 advantage at the halfway mark with the first perfect score by an Oklahoma gymnast since Kiara Redmond posted one on vault against TWU on Feb. 29, 2008. It was the third perfect routine in the NCAA this season and first by an underclassman.

On floor, Flanery anchored the lineup with a career-high-tying 9.95 en route to a 49.225 team tally. OU closed the rotation with four scores of 9.8 or better, as Kristin Smith (9.9), Hollie Vise (9.875) and Megan Ferguson (9.8) all posted solid routines.

The Sooners rebounded from a fall during the opening routine on beam with four scores of 9.825 or higher to close the rotation with a team tally of 49.200. Vise (9.925) and Ferguson (9.9) anchored the lineup with a pair of strong routines, preceded by a 9.825s from Kelley and Smith.

2010 MEET-BY-MEET RECAPS

WEEK 9 - ALABAMA | MARCH 5, 2010

NORMAN, Okla. - The No. 2 University of Oklahoma women's gymnastics squad (12-0, 4-0 Big 12) clinched its first win over a No. 1 opponent in program history with a 197.950-197.275 victory over top-ranked Alabama on Friday at Lloyd Noble Center. It was the highest score posted by a Big 12 squad since Nebraska and Iowa State ended a March 14, 2004, dual deadlocked at 198.000 apiece.

The Sooners posted a program-best team tally in their win over the Crimson Tide, bringing the school record crowd of 2,529 fans to its feet on multiple occasions as the back-to-back Big 12 Champions posted the highest score in the NCAA this season. OU eclipsed its previous program best (197.725) by 0.225 in tonight's win, as Oklahoma improved to 53-6 in the regular season under fourth-year head coach K.J. Kindler.

"If you're going to do it (set a school record), tonight was the night," said Kindler. "I can't imagine a better night to do it than against the No. 1 team in the country. Alabama is solid. They are impressive. I believe that we rose to the level of their gymnastics, we rose to the occasion and captured the moment tonight."

OU scored at least a 49.375 on all four events, picking up event wins on vault (49.500), beam (49.450) and floor (49.625).

The Sooners also clinched at least a share of all four individual event titles, as Mary Mantle (vault - 9.925), Hollie Vise (bars - 9.925, beam - 9.95) and Jackie Flanery (floor - 9.975) all brought home the hardware.

Oklahoma burst out of the gates to a season-high 49.500 on vault to secure the early lead. All six Sooners in the lineup scored at least a 9.875, capped off by Mantle's career-high 9.925 from the fifth position in the event win. Natasha Kelley, Brie Olson and Sara Stone all scored 9.9s, while Flanery and Natalie Ratcliff posted a pair of 9.875s. Olson notched a career high while Kelley tied her previous best on the apparatus.

The Sooners remained atop the leaderboard at the halfway mark by the slimmest possible margin at 98.875-98.850. Oklahoma scored a 49.375 on bars, paced by Vise's career-high-tying 9.925 from the anchor position. Flanery and Kayla Nowak both posted career bests with a pair of 9.875s, while Olson and Kelley rounded out the team tally with a pair of 9.825s.

Entering the meet tied with the Tide as the top squad in the NCAA on beam, the Sooners posted a 49.450 on the apparatus to take a 148.325-148.200 lead into the final apparatus. Kristin Smith (9.9), Vise (9.95) and Ferguson (9.925) capped off OU's stellar rotation with three straight routines of 9.9 or higher to close the event. Oklahoma made a switch at the top of the lineup for the first time this season and it paid dividends. Nowak led off with a career-high-tying 9.85, Ratcliff scored a 9.7 and Kelley added a 9.825 from the third position to give the Sooners their needed momentum.

Capping the historic win on floor, Stone (9.825) and Nowak (9.875) opened the rotation with a pair of strong routines, leaving the final margin and possible school record as the only thing in doubt after a fall from Alabama's fifth gymnast on beam. OU closed with three straight 9.925s before Flanery's event-winning 9.975.

2010 MEET-BY-MEET RECAPS

WEEK 10 - WASHINGTON | MARCH 12, 2010

NORMAN, Okla. - The No. 2 Oklahoma women's gymnastics squad (13-0) wrapped up an undefeated home schedule with a 196.900-195.800 victory over No. 25 Washington on "Senior Night" at Lloyd Noble on Friday night.

OU seniors won four titles on the night, none bigger than Hollie Vise's 39.600 all-around win in her first collegiate appearance competing all four events. Vise also took home individual event titles on bars (9.95) and beam (9.925), pushing her season total to 16. Fellow senior Jackie Flanery kept the senior winning ways alive with a 9.95 on floor in her eighth victory on the apparatus this season.

"I couldn't have scripted a better ending of her home career for Hollie," said fourth-year head coach K.J. Kindler. "She has made a physical and mental transformation that few would have the strength or will power to endure. Her metamorphosis has been nothing less than incredible. Her humble demeanor and sweet disposition have made her a wonderful teammate and an example that anything is possible."

The Sooners picked up team event titles on vault, bars and beam as Kindler's first group finished with a 19-1 record in regular season meets in Norman.

Just as it did in its upset of top-ranked Alabama last week, OU caught fire early with a 49.400 on vault to open the competition. The Sooners did not count a score lower than 9.85, paced by Natasha Kelley's career-high 9.925 in her first collegiate win on the apparatus. Brie Olson also matched a personal best with a 9.9 in the second straight event the St. Cloud, Minn, native has posted that score. Sara Stone added a 9.875, Vise scored a 9.85 in the first vault of her career before Mantle matched Vise's tally.

Vise received a perfect 10.00 from one member of the panel in a career-high 9.95 on bars in her eighth win in nine meets on the apparatus this season. Megan Ferguson added a 9.875, while Melanie Root tallied a 9.85 in her first routine of the year on bars. Flanery and Kelley added a pair of 9.800s to close the team scoring.

Moving to beam, Vise's win was preceded by scores of 9.9 and a 9.85, from Ferguson and Kristin Smith, respectively. It was the first routine in three days for Smith, who wasn't going to let a minor injury keep her from competing in her final meet at Lloyd Noble.

The lineup was shuffled for the first time this season as Stone posted a 9.775 in her first collegiate beam routine in place of Kayla Nowak.

OU wrapped up the win with a 49.000 on floor, despite failing to win the team event title on the apparatus for the first time this season. Vise clinched her all-around victory with a 9.875, while Flanery notched her third straight win on floor exercise.

The Sooners improved to 54-6 in the regular season under Kindler, including a 28-2 mark in Norman.

Vise became just the second all-around competitor of the season for the Sooners, joining freshman Kayla Nowak who competed all four events at Illinois.

2010 MEET-BY-MEET RECAPS

WEEK 11 - ARKANSAS | MARCH 19, 2010

FAYETTEVILLE, Ark. - The second-ranked OU women's gymnastics team (14-0) became the only squad in the NCAA to post an unblemished regular season record in two of the last three years with a 197.475-196.100 win at No. 6 Arkansas (7-4-1) in Fayetteville, Ark., on Friday.

The Sooners quieted the Barnhill Arena crowd of 4,008 with a sweep of all four event titles, spoiling Senior Night festivities for the home squad for the second consecutive road meet. It was the highest team score ever recorded inside Barnhill Arena, easily outdistancing the 197.025 by Arkansas earlier this season and the 196.725 by visiting Georgia in 2009. OU also set arena records on bars (49.375) and beam (49.450).

Oklahoma also picked up at least a share of all four individual event titles with wins on vault (Sara Stone - 9.95), bars (Hollie Vise and Megan Ferguson - 9.9), beam (Kristin Smith - 9.95) and floor (Jackie Flanery - 9.925).

OU improved to 5-0 against top-10 opponents this season, including four victories over SEC foes ranked in the top 10 (No. 1 Alabama, No. 4 Florida, No. 6 Arkansas and No. 9 Auburn).

The Sooners turned in their highest road score on bars this season, opening the event with scores of 9.85 or greater from all six gymnasts en route to a 49.375-49.300 lead after the first rotation. Vise and Ferguson shared the event title, while Natasha Kelley completed the OU sweep with a 9.875 for third place. Flanery, Melanie Root and Brie Olson ignited the fast start with three straight 9.85s to open the meet.

The team bars score tied OU's effort in its upset of top-ranked Alabama and was just short of the Sooners' season high of 49.425 against Iowa State on Feb. 12. Oklahoma held a slim margin over the Razorbacks despite a season-high-tying vault score from the home squad.

Oklahoma held a 98.775-98.400 lead at the midway point after picking up its second straight event win of the night on vault (49.400). Sara Stone anchored with her eighth straight score of 9.875 or higher on the apparatus, picking up her third win on vault in the last five meets with a 9.95 that tied Arkansas' Casey Jo Magee. Kelley shared third with a 9.9, while Olson stuck a 9.875 that received scores of 9.95 and 9.8 from the judging panel.

The Sooners closed floor with four straight scores of 9.8 or higher for a team tally of 49.250. Flanery anchored the lineup with a 9.925, while Smith and Ferguson added a pair of 9.875s. Vise scored a 9.8. Stone added a 9.775 from the first position despite incurring a 0.1 point deduction for stepping out of bounds prior to her first pass.

OU won its 10th team event title of the season on beam, clinching the undefeated regular season with a 49.450 on the apparatus. Smith clinched a share of her fifth event title of the season with a career-high-tying 9.95. The Oklahoma City senior had fond memories of the arena, as she posted a 9.925 on beam in her first routine eclipsing the 9.9 barrier the last time the Sooners visited Arkansas in 2008. Kelley scored a 9.9 on beam, while Vise and Ferguson closed the night with a pair of 9.875s as Oklahoma improved to 55-6 in the regular season under K.J. Kindler
